Sir:

**SUPPLEMENTAL AMENDMENT**

This Supplemental Amendment, in fact revised argument, is responsive to further information regarding the disclosure in the applied Baker reference and should be considered by the Examiner when the previously filed Amendment dated December 22, 2005 is considered. Accordingly, this Supplemental Amendment is being facsimile transmitted to the Patent Office to expedite its consideration.

On page 21, second full paragraph, Applicants state "because Baker does not deal with controlling access to data held on a computer system as requestable datasets . . . ." This statement is actually incorrect, as the Baker reference is concerned with access to data held on the Internet and databases.
